

PEACE MISSION IRELAND (PMI)

DEAR MUSLIM BROTHERS AND SISTER,

Allah Subhanah Taala has sent the mankind, His best creation, to the world as His representative so that they become loyal to His command and lead the other members of the society. Many prophets (Ambia Keram) had been sent to this earth with the light of Hedayet (True path) to direct the mankind, which long tradition has ended with the compilation of verses in Quran, complete guideline for human being, entitled to the prophet Muhammad (SM). Since there is no future prophet, the onus to show the human being righteous path till Keamot goes to the follower of Prophet Muhammad. Allah says- "And thus we have made you a just community that you will be witnesses over the people and the Messenger will be a witness over you. Sura Baqarah-143.

It denotes the ideology Rasul (SW) has established in his personal life, family and state, now we are responsible to preach that before the whole globe. We shall be grilled in the judgment day about this responsibility. Now the question arises whether are we observing the duty properly.

Is it possible to build own self as a true Muslim, guide the family, friends and society/community in the light of Islam and convey the beautiful message of Islam to other Muslim and non Muslim alone? Allah says "And hold firmly to the rope of Allah all together and do not become divided." Al Imran 103.

Prophet Muhammad says- tiger is the enemy to lamb, as devil is to mankind. Tiger attacks the lamb (in the herd) which is aloof from others or it gets away from other in search of food (living). Be aware, never go away leaving your team and you must stay in the team with others.
